

The Department of Mathematics' SEE-Math
(Summer Educational Enrichment in Math)

is proud to present the animated features

Flatland

on Friday August 10 at 4:00-5:00 in Blocker 102

and the **College Station Premier** of its sequel

FLATLAND² *Sphereland*

on Friday August 17 at 3:30-4:30 in Blocker 102

Flatland is based on Edwin A. Abbott's 1884 book

"Flatland: A Romance of Many Dimensions".

Flatland stars the voices of Martin Sheen, Kristen Bell, Michael York, Joe Estevez and Tony Hale.

For more information see <http://www.flatlandthemovie.com/>

Sphereland is based on Dionys Burger's 1964 book

"Sphereland: A Fantasy About Curved Spaces and an Expanding Universe".

Sphereland stars the voices of Kristen Bell, Curtis Luciani, Tony Hale, Danica McKellar, Kate Mulgrew, Danny Pudi and Michael York.

For more information see <http://www.spherelandthemovie.com/>

Everyone is welcome. There is no charge.

However, please contact Donna Hoffman at donna@math.tamu.edu or 979-862-4306 to say how many adults and how many children will be attending each day, so we can prepare appropriate refreshments.
